

Hospital overtime lawsuit: The Real Deal

Last Update: 7/15 5:26 pm

Syracuse, New York (WSYR-TV) - If you work at a local hospital, you may have received a letter in the last few days from a law firm looking to get you to join a class action lawsuit.

The Rochester firm says some employees of Crouse, University and St. Joe's may not have been paid when their lunch breaks were interrupted or missed to care for patients.

They've sent out letters to most of the hourly employees of the hospitals who've worked there in last six years, asking them if they'd be willing to participate in a lawsuit to reclaim some of the wages.

The firm has filed suits in some other cities against hospitals for similar violations. If you're interested in learning more a website has been setup. [CLICK HERE](#) to visit that website.
